

MISSION UPDATE

APOLLO 11 | FEB 2024

1

MEMBERS SAVING \$\$\$

We take a look at the Teams who worked on their COSTS and share some TIPS on where you might be able to save

2

SYSTEM UPDATES

See what systems our members have tackled this Mission.

3

TEAM NAMES + CAPTAINS

can you match the Captains to their Team Names?

PAC TRAINED UPDATE

During Apollo 11 we had **TEN** members complete their PAC training. Well done to these members and a huge congratulations to the other members who completed some of the PAC trained modules.

BEST EXCUSE FOR A LATE MISSION SHEET

.....

I will send it on Monday as I am getting married later today!

Congratulations
Heath Armstrong!

MEMBER SPOTLIGHT

RYAN SMITH

Ryan, together with team mates Craig and Anthony tied for highest points this month. His enthusiasm for ELEVATE, team bonding and accountability is to be commended.

Ryan joined ELEVATE in November 2023, lives in NSW and recently became PAC trained.

WELL DONE RYAN!
